

Using Game Templates in ActivInspire (The Basics)

1. Getting Started:

- Locating ActivInspire in Applications

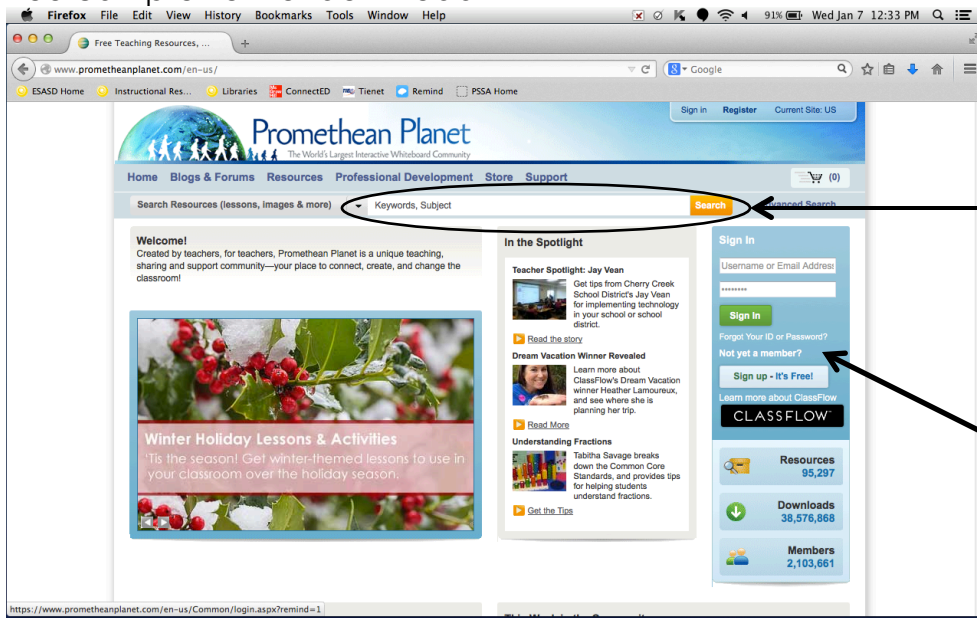

- Components of ActivInspire (tool bars, design mode, notes, etc)

2. Promethean Planet

- Open your internet browser and go to www.prometheanplanet.com
- Sign in or create an account (you cannot download flipcharts without an account – its FREE!!)
- Search bar is in the top center of the page

- You can preview or download

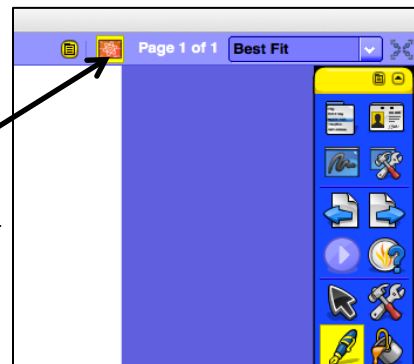

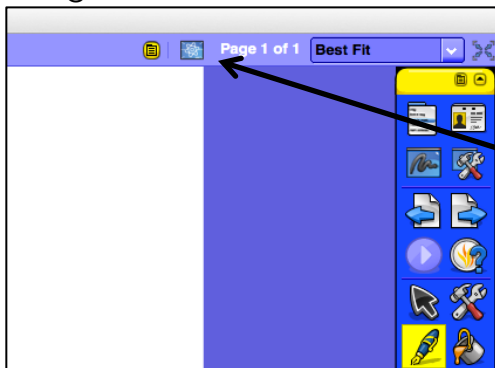

Search box

Sign in or register

- When you download a flipchart, it will go into your downloads folder. You can save it to your desktop or another folder.

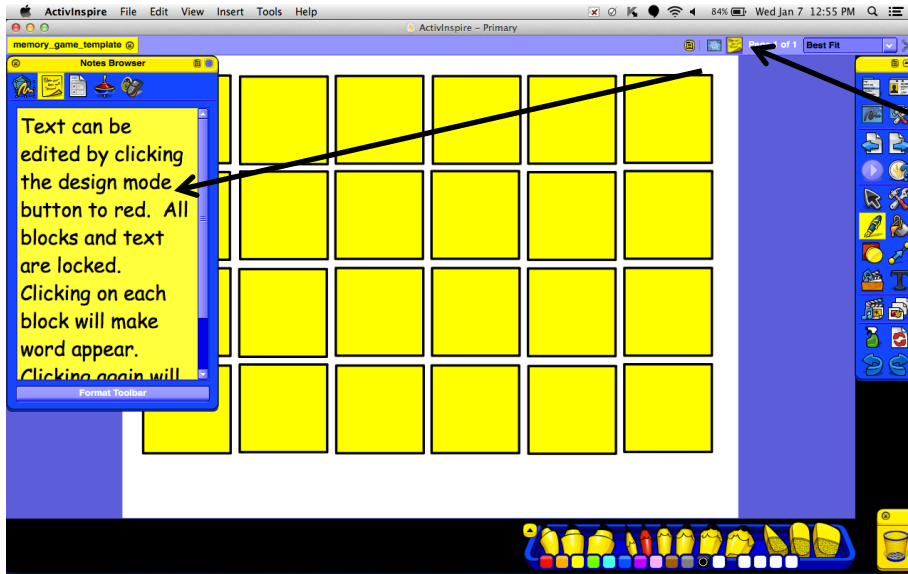

3. Editing flipchart

- Design Mode

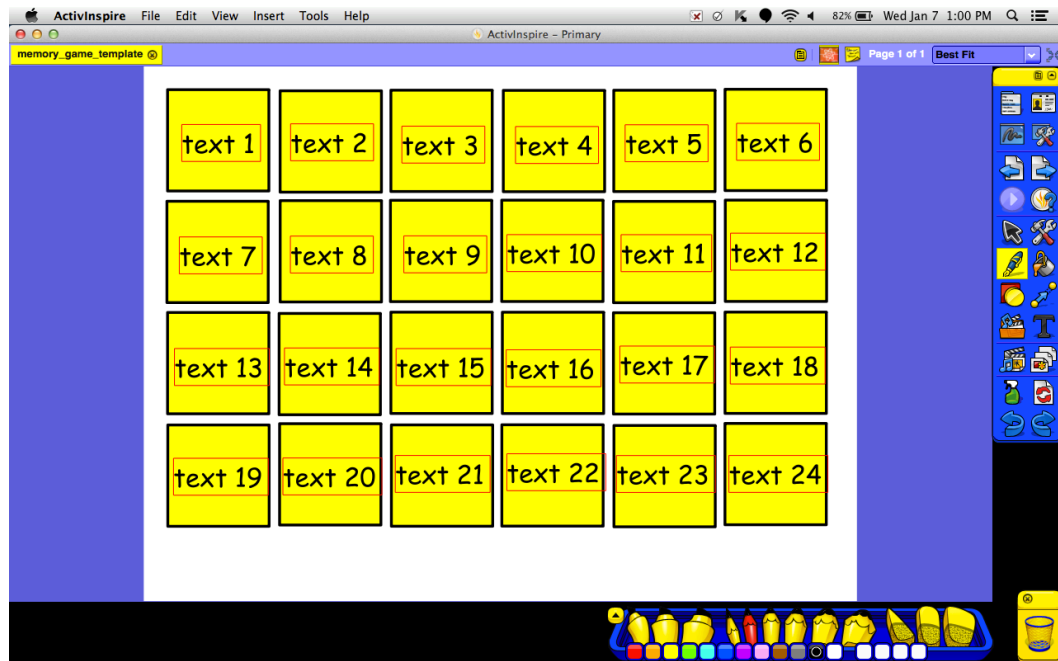

Click to edit flipchart

- Notes

- Input content
 - Click on design mode (red) and input your content in the text boxes.

- Let's try! Download the test flipchart from the Spring into Technology Wiki.
